About the Gemports Index (GPI): The Gemports Index (GPI) is an internationally recognized benchmark for colored gemstone valuation, supported by standardized units, aimed at making price comparisons of colored gemstones easier. GPI uses 2019 as its base year. Developed by Gemports as an extension of Gemports Information Services, GPI serves as a practical tool for tracking changes in the value of colored gemstones in B2B, B2C, and C2C markets.

About the Gemports: The Gemports is an international gemstone trade network offering value-added services that make gemstone transaction more transparent, easier, and safer across B2B, B2C, and C2C markets. Convened in 2019, Gemports was launched by GAC, NGTC, TGJTA, and GJPCT as a collaborative initiative. Gemports activities include Gemports Information Services, providing Gemports Price Report for gemstones, as well as research, analysis and news; GemportsEdu, the world's first-class gemstone trade education and membership services; and Gemports Trading and Auction Services.
